

# Nothing Lasts

Bedroom

I pray to God  
To stop these thoughts  
It works for me  
Can't you see  
I know that I'm better  
I'm writing this letter  
To my past self  
Sitting on the shelf

Nothing lasts  
It's for the best  
I won't stay here  
I won't stay there  
'Cause now I'm happy  
For You have changed me  
I am so thankful  
No longer painful
