

We All Need Something

Bedroom

We all want someone, we all want something
We want everything, can't have anything now
I don't have someone, I don't have something
I have stopped trying, I got sick of crying now

(Ah-la-la-la)

(Ah-la-la-la)

I can't stop shaking, my body's aching
These thoughts in my head haunt me until I'm dead now
I keep on praying, God come and save me
"It's just in your head" It's just in my head now

Ahh, ahh

Ahh, ahh

Ahh, ahh

Ahh, ahh

Ahh, ahh

Ahh, ahh

Ahh, ahh

Ahh, ahh
