```
When I was just a little boy
When I didn't know
My daddy put me on his knee
And showed me the way to go
He said, "A woman will do her best
To make a fool out of you
So be a man and stand the test
And see what you can do"
I'm glad I am
Born a man
I'm glad I am
Born a man
If you got what it takes, my boy
You can always choose
Work it out before it's too late, my boy
Make sure you never lose
I'm glad I am
Born a man
I'm glad I am
Born a man
I am born a man
I am
You don't believe what I say?
Every woman wants her man
To live and learn on her land
Where I go, baby you go
Arrangement, man and wife
I'm glad I am
Born a man
I'm glad I am
Born a man
Born a man
Born a man
```

Born a man
