

Dearest

Bee Gees

I hear you calling me 'dearest' too .
My dearest, I'm nearest, then I've ever been before
to have you calling me 'dearest' once more.
My dearest, this picture, my own memory.
Wishing this picture was reality.

Where do I go from here? The Lord took you away.
And if you could see me today, I will remember you .
I will remember you
My dearest, sincerest, there's no one but you and
here in my heart you're my dearest too.

Where do I go from here? The Lord took you away.
And if you could see me today, I will remember you.
I will remember you .
My dearest, sincerest, there's no one but you and
here in my heart you're my dearest too.
