

Down the Road

Bee Gees

I don't need anybody . I don't need anyone.
Take it nice and easy mama, chicken on the run and I don't care
.
I'd show my body anywhere.
Ain't no big city winner's gonna pass my buck anywhere.
Ain't no four leaf clover's gonna settle my luck and I don't care.

Go down to the courthouse and I've been on display.
Don't you think that I don't know
it ain't been a perfect day, but I don't care.
I'd sell my body anywhere.
In the name of creation, I can't find an explanation anywhere.
Ain't no easy rider gonna settle my luck and I don't care

Down, down the road, up the road
Down, down the road, up the road

Been rejuvenated to the highest degree.
Ain't no words describing what this feeling's done to me and I
don't care.
I'd show my feelings anywhere.
Ain't no heavy Mister Leather's gonna paddle my butt anywhere
Ain't no four leaf clover's gonna settle my luck and I don't care.

Down, down the road, up the road
Down, down the road, up the road

Down, down the road, up the road (5x)
