

# Islands in the Stream

Bee Gees

Baby when I met you there was peace unknown  
I set out to get you with a fine tooth comb  
I was soft inside, there was something going on

You do something to me that I can't explain  
Hold me closer and I feel no pain  
Every beat of my heart, we got something going on

Tender love is blind  
It requires a dedication  
All this love we feel needs no conversation  
We ride it together, ah ha  
From one love to another, ah ha

Islands in the stream  
That is what we are  
No one in between  
How can we be wrong  
Sail away with me  
To another world  
And we rely on each other, ah ha  
From one lover to another, ah ha

I can't live without you if the love was gone  
Everything is nothing when you got no one  
And you walk in the night  
Slowly losing sight of the real thing

But that won't happen to us and we got no doubt  
Too deep in love and we got no way out  
And the message is clear  
This could be the year for the real thing

No more will you cry  
Baby I will hurt you never  
We start and end as one  
In love forever  
We can ride it together, ah ha  
From one love to another, ah ha

Islands in the stream  
That is what we are  
No one in between  
How can we be wrong  
Sail away with me  
To another world  
And we rely on each other, ah ha  
From one lover to another, ah ha

Ghetto superstar  
That is what you are  
Coming from afar  
Reaching for the stars  
Fall away with me  
To another place  
And we rely on each other, ah ha  
From one lover to another, ah ha
