

# One

Bee Gees

I feel my heartbeat,  
When you run your fingers through my hair.  
(Yeah) I can feel you,  
I can feel you by my side when you're not there.  
(Yeah) Just as my life fades to darkness  
You you make me see the light.  
Show me that my search is over  
I pay the price, I pay the price.

Tell you someday Baby, you and I should be one, one.  
Do it always, brighter than the eye can see, we hide the sun.

The taste of love is sweet like honey on the vine,  
Like the wind that feeds the fire, two souls become entwined.  
Someday baby you and I should be one, one.

So I'm standing 'round this corner  
Tall enough to touch the New York sky, oh yes  
My love is so blind  
I just cannot hear or see the world go by, oh yes  
Someone can love so completely  
One kiss should break the seal  
Truth can be stranger than fiction  
This love is real  
This love is real.

Tell you someday Baby, you and I should be one, one.  
Do it always, brighter than the eye can see, we hide the sun.

Ah we are one, we are one.

I will follow  
Count on me, I'll never let you down, oh yes  
My devotion  
If love is like an ocean I will surely drown, oh yes  
You'll be my only possession  
I'll be a slave to you  
We hold the power together  
Just me and you  
Just me and you.

Tell you someday Baby, you and I should be one, one.  
Do it always, brighter than the eye can see, we hide the sun.  
Tell you someday Baby, you and I should be one, one.

(You know my life is in your hands,  
And every breath you take is planned  
And all this love goes on forever.)

Tell you someday Baby, you and I should be one, one.  
Do it someday Baby, you and I should be one, one.  
Do it someday Baby, you and I should be one, one...
