## **Turn of the Century**

**Bee Gees** 

Everything's happening
At the turn of the century
I'm gonna buy myself a time machine
Go to the turn of the century

And all those people passing by And the town crier makes his cry At the turn of the century Turn of the century

Big wide hats and men is spats At the turn of the century With those horseless carriages At the turn of the century

And there are lots of things to do
On a bicycle built for two
At the turn of the century
Turn of the century

Everything's happening
At the turn of the century
I'm gonna buy myself a time machine
Go to the turn of the century

And all those people passing by And the town crier makes his cry At the turn of the century Turn of the century, turn of the century
