

# As Above, So Below

Before the Dawn

Centre your thoughts  
Refine perception  
Into a flawless depiction

Perfect the sense of pain  
Concentrate your wrath  
Affliction turned into art

Peripheral nervous system  
In sync with your mind  
Entwine the torment

Steer the thought  
Reveries to account for  
As above, so below  
Grand declaration of war  
Kneel before  
Nightmares to account for  
In the flesh, while awake  
As above, so below

Beginning to feel the shift inside  
Transition into whole  
Flawlessness of the shatterproof soul

Forge your fear in the fire  
Burn your dread in the flames  
Subconscious is the pyre

Force the frailty to alter  
Compel the flaws to burn  
Transform distress into strength

Steer the thought  
Reveries to account for  
As above, so below  
Grand declaration of war  
Kneel before  
Nightmares to account for  
In the flesh, while awake  
As above, so below
