

## Chaos Sequence

Before the Dawn

The absence of the voice of reason  
The wall of glass that separates  
Rational from insane

Most gentle pressure on the trigger  
Can divide the mind

Like a tightrope walker  
Sustain a balance  
Equilibrium inside

Like drawing a line on water  
Forbid the waves  
Waves to collide

Just two steps behind  
Chaos follows evermore  
Destructive forces aligned  
Serenity Nevermore

Compromised self-control  
Disorder and demise  
Of the perfect design

Inner destruction  
Tearing the fabric of reality  
Piece by piece  
Dismantle and cease  
The existing ease

Just two steps behind  
Chaos follows evermore  
Destructive forces aligned  
Serenity Nevermore

Just two steps behind  
Chaos follows evermore  
Destructive forces aligned  
Serenity Nevermore
