

# Divided

## Before the Dawn

Between two worlds  
Grandeur forces divided  
Incarcerated  
Where two empires collide

Like fire and ice  
Inconsistency profound  
Magnetic fields conflict  
Solemn powers poles apart

Earth in flames  
And heaven torn asunder  
Heaven torn asunder  
Unclouded skies  
Encase the wrath  
Wrath of a thunder

Darkness and light  
Perpetual fight for dominion  
War eternal  
Rages on since the first light of the dawn  
Darkness and light  
Riddles written by silence  
Deafening scream  
From the one without voice to summon the dawn

Legion of one  
A multitude of pieces  
A puzzle complex and grand  
Carved from a single stone

Earth in flames  
And heaven torn asunder  
Unclouded skies  
Encase the wrath  
Wrath of a thunder

Darkness and light  
Perpetual fight for dominion  
War eternal  
Rages on since the first light of the dawn  
Darkness and light  
Riddles written by silence  
Deafening scream  
From the one without voice to summon the dawn
