

## Pierce The Veil

Before Today

Why  
Do I talk so low  
And it's your fault  
You're the only one that breaks away [away]  
When we had fun  
we had fun  
we had fun [whoo]

Everyday will become night and end without a change  
We'll try still strong in chains  
Urging the mind  
To speak until weakness has been disarmed (disarmed)

You  
I'll be back for you  
We'll try, I'll find you

These midnight masquerades  
Are still strong in their chains [Their Chains]  
It's the motion in our blood  
That has since ran out of love

And it's so hard  
When we've wasted all our youth on you  
Wait for the same moon  
We were smoking on a cold day's afternoon  
In the same [In the same, same for you]  
The Same for you [The same for you]

When it's over the scenes fall in two  
When it's over the sun will be back for you [For you]
