

Settle For Less

Before You Exit

Everybody deserves somebody,
But, girl, nobody can love you like I do.

You could be a super model,
President or write a novel.
But he's holding you back
And you're better than that.
He won't even buy you flowers,
Stay up late and talk for hours.
I think I can do that
I can be better than that.
You should know...

Everybody deserves somebody,
But, girl, nobody can love you like I do.
And I'm not perfect but you're so worth it.
I wanna change the world for you,
So baby don't settle for less.
You deserve the best,
You're better than the rest
And I can be the best,
So baby don't settle for less.

I've been watching from the sidelines
His mistakes become my guidelines.
'Cause he's holding you back
And you're better than that.
I will love to buy you flowers,
Take the time to talk for hours.
Yeah I can do that.
I can be better than that.
You should know...

Everybody deserves somebody,
But, girl, nobody can love you like I do.
And I'm not perfect but you're so worth it.
I wanna change the world for you,
So baby don't settle for less.
You deserve the best,
You're better than the rest
And I can be the best,
So baby don't settle for less.
You deserve the best,
You're better than the rest
And I can be the best,
So baby don't settle for less.

He takes you for granted,
Girl, I can't stand it.
Watching you panic over him.
See he's just a nobody
I can be somebody,
Someone to love til' the end.

'Cause everybody deserves somebody,
But, girl, nobody can love you like I do.
And I'm not perfect but you're so worth it.

I wanna change the world for you
So baby don't settle for less.
You deserve the best,
You're better than the rest
And I can be the best
So baby don't settle for less.
You deserve the best,
You're better than the rest
And I can be the best
So baby don't settle for less.
