

## Listen To Your Heart

beFour

I know there's something in the wake of your smile  
I get a notion from the look in your eyes...yeah  
You've built a love but that love falls apart  
Your little piece of heaven turns to dark

Listen to your heart when he's calling for you  
Listen to your heart  
There's nothing else you can do  
I don't know where you're going, and I don't know why  
But listen to your heart before  
You tell him goodbye

Sometimes you wonder if this fight is worth while  
The precious moments are all lost in the tide  
They're swept away and nothing is what it seems  
The feeling of belonging to your dreams

Listen to your heart when he's calling for you  
Listen to your heart  
There's nothing else you can do  
I don't know where you're going, and I don't know why  
But listen to your heart before  
You tell him goodbye

And there are voices, that want to be heard  
So much to mention but you can't find the words  
The scent of magic, the beauty that's been  
When love was wilder than the wind

Listen to your heart when he's calling for you  
Listen to your heart  
There's nothing else you can do  
I don't know where you're going, and I don't know why  
But listen to your heart before  
you tell him goodbye

Listen to your heart  
I don't know where you're going and I don't know why  
But listen to your heart before  
you tell him goodbye
