

# Havohej Pantocrator

**Behemoth**

Our father, who art in hell  
Unhallowed be Thy name  
Thy legions come  
Thy enemies begone  
On Earth as it is in the Netherworld  
Embrace our souls untraveled  
Let us sail to the farthest sea  
Ignite our craving hearts  
Illuminate our ageless will

Dissolve!  
Coagulate!

Our father, who lies in wait  
Unhallowed be Thy name  
Thy kingdom enshrines  
Thy phosphor blinds  
On Earth as it is in Hell  
Embrace my soul untraveled  
Let me sail to the farthest sea  
When I am Thou, O Lord  
And Lord when Thou art Me

Dissolve!  
Coagulate!

By thou holy name: Satan  
At his command  
Heaven shall burn!  
By thou holy name: Lucifer  
At his command  
Heaven shall blaze!  
By thou holy name: Leviathan  
At his command  
Heaven shall burn!  
By thou holy name: Belial  
At his command  
Heaven shall burn!
