

## Under The Eye Of Lord

Behexen

Cursed I am with the wrath of lord Satan  
Blessed I am with the unholy power  
O' Father of Hell...  
grant me immortality and let me be one  
proud spirit in your legion  
I am wandering in the path of darkside...  
under the eye of lord Lucifer!

The gates are opening to me  
Now I can understand the hidden secrets  
All is so clear to me...

Satan! grant us the emotions  
to explore our way along the darkened path  
We dedicated our souls to you  
and work for your kingdom

In nomine dei nostri Satanas  
Luciferi exelsi!
