## **Under The Eye Of Lord**

## Behexen

Cursed I am with the wrath of lord Satan Blessed I am with the unholy power O' Father of Hell... grant me immortality and let me be one proud spirit in your legion I am wandering in the path of darkside... under the eye of lord Lucifer!

The gates are opening to me Now I can understand the hidden secrets All is so clear to me...

Satan! grant us the emotions to explore our way along the darkened path We dedicated our souls to you and work for your kingdom

In nomine dei nostri Satanas Luciferi exelsi!
