

# Powerless

Bei Maejor

I sit alone, waiting for the phone to ring  
But you don't call, and I don't know where you've been  
'Cause things have changed, our hearts have rearranged  
And thought the pain, our love has gone estranged  
And I know that I caused the light to die  
And it kills me cause I know I'm guilty

Oh, I'm weak without you  
I just can't go on no, no  
And now I'm forced to stand aside  
And watch him steal your heart  
And all my energy  
I'm powerless  
Ohh, I'm powerless yeah

So I walk alone, I think about all those days  
You used to walk this very same path with me  
And I look up, 'cause the light is falling down  
I wish that I could be one with the ground

Oh, I'm weak without you  
I just can't go on no, no  
And now I'm forced to stand aside  
And watch him steal your heart  
And all my energy  
I'm powerless

And I don't know what to do, when my power source is you  
And the only thing that can charge me up is to have a piece of  
you  
And I'm lightin' candles now, because the lights have all gone  
down  
I don't know where to go, I gotta get control

Oh, I'm weak without you  
I just can't go on no, no  
And now I'm forced to stand aside  
And watch him steal your heart  
And all my energy  
I'm powerless

Oh, I'm weak without you  
I just can't go on no, no  
And now I'm forced to stand aside  
do do do do do do..  
I'm powerless
