

Snake

Being As An Ocean

I sit down on the park
Enjoying the sunshine
Beauty of this world
All bright and divine
Yet my soul can't relax
No matter how I try
I'm caught between peace
Biding my time
And this urgent need to strike

Once bitten, twice shy
Scales sure to see the lies
Lessons learned, I paid the price
Don't be immune to great advice
Shall I lash out (once bitten)
Or watch the heel pass over?
Shall I lash out (twice shy)
Or watch the heel pass over me?

It's so strange
To always be on guard
Awaiting catastrophe
At the turn of a card
I was once such a trusting fellow
Full of hope, faithful, mellow
Time is ruining my vision
Hurt is hardening my hide
Pain forced my skin to glisten
Tribulation sharpened my mind

Once bitten, twice shy
Scales sure to see the lies
Lessons learned, I paid the price
Don't be immune to great advice
Shall I lash out (once bitten)
Or watch the heel pass over?
Shall I lash out (twice shy)
Or watch the heel pass over me?

Shall I lash out
Or watch the heel pass over?
Shall I lash out
Or watch the heel pass over?
Shall I lash out
Or watch the heel pass over?
Shall I lash out
Or watch the heel pass over?

Beware the snake
With sharpened fang
Beware the snake
With sharpened

Once bitten, twice shy
Scales sure to see the lies
I won't be burned, no, not this time
I won't fall prey to mighty vice

Shall I lash out (once bitten)
Or watch the heel pass over?
Shall I lash out (twice shy)
Or watch the heel pass over me?
