

## At Once

Beirut

How do you know  
At once  
At last  
At all

How do you find  
At once  
If all  
You find

How do you know  
At once  
At last  
At all

How will you find  
At once  
At last  
At all

(4x)  
At once  
At last  
At all
