Beirut

Oh, I miss the ways you did betray  
I meant to stay  
I meant to believe this  
See then, why do you care?  
We're all scared  
Pretending we're nothing

Oh, touch his hand  
Meinke, please answer  
Meinke, please answer (Oh)  
Meinke, please answer (Oh)  
Oh, Meinke, please answer
