

## Mare Tranquillitatis

Beirut

My way back  
Can't remember  
When it all sets in  
Like restless snakes again  
You in the light back home  
I couldn't be left alone

My way back  
I can't remember  
I wait in Neverland  
My boots on the table again  
Were you there to see  
The sea of tranquility?

My way back  
Can't remember  
I gave up all I had  
I wrestled with all the past  
Now I'm left to be  
A sea of tranquility

Wait out your trouble  
I'll make space for, I will wait for  
Heaven above this time  
Wait out your trouble  
I'll make space for, I will wait for  
Heaven above this time
