La-la-la, la-la, la-la  
La-la-la, la-la, la-la  
La-la-la, la-la, la-la  
La-la-la, la-la, la-la

Don't know the first thing about who you are  
My heart is waiting, taken in from the start  
If we don't go now, we won't get very far  
Don't know the first thing about who you are

La-la-la, la-la, la-la  
La-la-la, la-la, la-la  
La-la-la, la-la, la-la  
La-la-la, la-la, la-la

Don't know the first thing about who you are  
My heart is waiting, taken in from the start  
If we don't go now, we won't get very far  
Don't know the first thing about who you are

La-la-la, la-la, la-la  
La-la-la, la-la, la-la  
La-la-la, la-la, la-la  
La-la-la, la-la, la-la
