

Green Lights

BEKA

Whispers in the night
Keep calling on me
This darkness won't hide
The me that I see

I can't escape
This invisible low
Keeps coming to push me more
Than I ever would go

I know you don't, know you don't see it
We've got a lot, lot on our shoulders
Trying to, trying to keep up
With all of this, all of this pressure, but

Oh, it feels brighter now
We're rising up
No hiding out
Only green lights for us
Oh, it feels brighter now
We're rising up
No hiding out
Only green lights for us
Oh

Shadows disappear
Makes it harder to hide
Everything becomes clear
When I stand in the light
(Ooh light)

I know you don't, know you don't see
We've got a lot, lot on our shoulders
Trying to, trying to stand up
Pushing back all of this pressure

Oh, it feels brighter now
We're rising up
No hiding out
Only green lights for us
Oh, it feels brighter now
We're rising up
No hiding out
Only green lights for us it
Oh

I feel scared 'cause I don't know where to begin
You said you will be here till the end
So keep going, it will come to an end
This will end
Feels like I can finally breathe it in
You said we would lift our heads again
So keep going, it will come to an end
This will end, oh

Oh, it feels brighter now
We're rising up

No hiding out
Only green lights for us
Oh, it feels brighter now
We're rising up
No hiding out
Only green lights for us
Oh
