

# My One

BEKA

They say it's easy, just follow your heart  
But there's nothing easy, about what's going in there now  
So I read about it, they say it's just fairytales and  
You're not complete without it but I felt pretty good until now

Feels like the strangest thing  
You're changing everything  
Colours I've never seen  
I'm lost for words so I'm just gonna sing

I'm not waiting any longer  
I don't want my feet to touch the ground  
I can feel my heart like thunder  
I just I wanna shout it out, say  
Oooooooooo  
You're my one  
Oooooooooo  
You're my one

I found out the hard way, your heart can tell lies too  
One second I'm in and the next I wanna run from you  
But when I think about it  
I want it you see all these mixed up parts  
I wanna show you the all the things I've been holding in this mixed up heart

Feels like the strangest thing  
You're changing every thing  
Colours I've never seen  
I'm lost for words so I'm just gonna sing

I'm not waiting any longer  
I don't my feet to touch the ground  
I can feel my heart like thunder  
I just I wanna shout it out say  
Oooooooooo  
You're my one  
Oooooooooo  
You're my one

Baby you're my one  
You're my one  
Ooooo  
You're my one  
Baby you're my one  
You're my one  
You're my one  
Yeah  
You're my one

I'm not waiting any longer  
I don't my feet to touch the ground  
I can feel my heart like thunder  
I just I wanna shout it out say  
Oooooooooo  
You're my one  
Oooooooooo  
You're my one

Oooooooooo  
You're my one  
Oooooooooo  
You're my one
