

Vulnerable

BEKA

Tell me why it hurts like this
I thought they call it happiness
But I lie here wide awake
The morning might take you away
And losing you is something I can't risk

You got me so vulnerable
Broken and beautiful
Secrets I had before
Rushing right out of me
Got me so vulnerable
Heart naked on the floor
All my defenses fall
I never show nobody
You got me so vulnerable

I know I worry over us
But we've seen so many loves get lost
And sometimes it hurts like hell
To show the soft side of myself
I guess that I'm still learning how to trust

You got me so vulnerable
Broken and beautiful
Secrets I had before
Rushing right out of me
Got me so vulnerable
Heart naked on the floor
All my defenses fall
I never show nobody
You got me so vulnerable

Oh-oh-oh-oh-oh-ohh
Broken and beautiful
You got me so vulnerable
Oh-oh-oh-oh-oh-ohh
Broken and beautiful
You got me so vulnerable
Hearts naked on the floor
All my defenses fall
I never show nobody

You got me so vulnerable
Oh-oh-oh-oh-oh-ohh
Oh-oh-oh-ohh
You got me so vulnerable
Hearts naked on the floor
All my defenses fall
I never show nobody
And now you got me so vulnerable
Oh-oh-oh-oh-oh-ohh
Oh-oh-oh-ohh
