tic toc
tic toc
tic toc
waking at the day
makes me feel so
tic toc
tic toc
tic toc
flowers in you room
are dying fast
how should i know?
how should i write?
what you feeling
how should i know?
why should i mind?
what you dreaming
what you dreaming
time is short
life goes fast
love is calm
who? why?
time is short
life goes fast
love is calm
who? why?
tic toc
tic toc
tic toc
lying in on your bed
makes me feel bad
tic toc
tic toc
tic toc
wish that you were here
but maybe not
how should i know?
how should i write?
what you feeling
how should i know?
why should i mind?
what you dreaming
what you dreaming
time is short
life goes fast
love is calm
who? why?
time is short
life goes fast
love is calm
who? why?
time is short
life goes fast
love is calm
who? why?
time is short
life goes fast
love is calm

who? why?
tic toc
tic toc
breath hard
tic toc
tic toc
tic toc
breath hard
tic toc
