

G.U.T

Believer

Renormalize
ALICE wakes
Worlds she will find
Come alive

Breakdown, Light
Forces, Collide
Darkest, Charged
Matter, Unified

Revaporize
Lucid dreams
The path to decay
Feel her screams

Breakdown, Light
Forces, Collide
Darkest, Charged
Matter, Unified

Drink me, Eat me
One hundred thousand suns
Deconfined
Half mad, to dream me up

Breakdown, Light
Forces, Collide
Darkest, Charged
Matter, Unified

Breakdown, Light
Forces, Collide
Darkest, Charged
Hatter, Unified
