

## Gone

Believer

I feel fine now, the past is gone  
The book reads my name, I've been issued a new life

Stupidity flows, the more you speak  
Insanity grows, the more I think  
Religious ideals, cross parallels

Static thoughts, swallowing me  
Crippled mind, all I am is gone

Reality fades, time rules my life  
Kaleidoscopic days, lost within cries  
Confusion consumes, broken, I bleed

Static thoughts, swallowing me  
Broken wing, horrific dream  
Crippled mind, all I am is gone
