Stay alone in my room, every moment passing too slow, watch the candles

burn into the night

Fall into a dream, wake up and everythings the same, a second o lder, but alone, just

like a child

If you just give me a sign, to live and not to die

[Chorus]

Then I can see a little light, I can find a piece of mine, I do nt know where you are, maybe near or maybe far, I just need a little light Here a clock tiking on a 'riding hood have meaning' If i could find the love like in your eyes see a million people, everyones so lonely but we dont have to be alone tonight

[Chorus]

uuu, u, lalala a uuu a

If I could see a little light, If I could find some piece of mi ne,

If you just give me a sign

I can see a little ligh, I dont know where you are, maybe near or maybe far, I just need a little light ...
Stay alone in my room, every moment passing too soon, watch the candles burn into the night..
