B.B.D. (I Thought It Was Me)?

Bell Biv DeVoe

I went out, last night See, that's when I met a sexy girl She was lookin' so right She said, "I wanna take you for a trip around the world" And by the look in her eyes, ho The girl was serious! She wore no disquise, oh no So let's have some fun, yeah! (I thought it was me) I thought it was me who makes the girl this way (I thought it was me) I came to find out she's like that every day (I thought it was me) I thought it was me that makes that girl so wild (I thought it was me) I found out she's like that with all the guys Yo, I love bein a bachelor Ricky said, "Yo, that girl's a good catch for ya" She and I choose to cruise in my love boat My waterbed, kept us afloat I had to prove my manhood Show her that the B-I-V was DAMN good, understood? I never had my boat rocked like that before, YO!! The way we left the spot, all systems ready to go She said, "Sit back and relax, I'm runnin' the show" I couldn't hesitate, it was much too late That girl had got me straight, and I was ready to go, yeah! B (yeah) B (yeah) D (yeah) B.B.D B (yeah) B (yeah) D (yeah) B.B.D Yo' Ron, was-SUP, wit that fly girl you left the jam with? She's stickin' closer to you Than the bread on the meat of my sandwich I know you rock a beach, cuz Naw, it wasn't even like that She left the room to get comfy and cozy (wha?) Then the R to the O to the N got nosey Cruising guys was her favorite past-time Takin' chances almost got her lifetime She said, "You only live once" Stayin' loose, made many head turns If you did her wrong, you just might get burned So let's have some fun, yeah-HE! (I thought it was me) I thought it was me who makes the girl this way (I thought it was me) I came to find out she's like that every day

(I thought it was me) I thought it was me that makes that girl so wild
