The mere mention of her name (right)
Got me thinkin' 'bout shoppin' sprees
Everywhere she goes (uh huh, uh huh)
People wanna know her steez
But she's with me (yeah)
And that's just how it's gonna be (uh uh)
My breezy

Shit, this is a new addition for New Edition
We only make tracks for you to listen, uh
This what you been missin'
Plenty hoes
Been enrolled in the school of pimpin'
This Mike Bivins, yeah
Like a disco ball, her eyes glisten
If you blink
Next minute you find your wife missin', uh

You gonna find it all
What ya find at the mall
Waiting for E then me and Ronnie to call

Ya, the boat flow so serious
So for feelin' it
Slide on my ice
My snowmobilin' it
And yeah, I keep top ten hits
Plus, slim thiggy
Top ten chicks
A nucka been flossin'
Straight outta Boston
Diggin' these Breezies
Till they start callin' the Lord, and
Import 'em, export 'em
Explore 'em, head-to-toe
