

# Bad Boy!

Bella Poarch

I love me a bad boy  
La-la-la-la-la-la, la-la-la-la-la-la, la-la-la-la-la-la, love  
That drives a Corvette and smokes cigarettes  
I know they're the worst but aren't they the best?  
Bad boy  
La-la-la-la-la-la, la-la-la-la-la-la, la-la-la-la-la-la, love  
They're bad for my hair but so good in bed  
I know they're the worst but aren't they the best?

Bad boys and their drama  
All their issues with their momma  
Bad boys bring their drummer  
Play guitar and think they're Nirvana  
Bad manners, bad communication  
Show up at parties without invitations  
Fuck it, let's face it, they don't want my love  
They just want me naked, mm

I've had boys who would shower me with chocolates and flowers  
But without the chase, it's safe to say I'm bored

'Cause I love me a bad boy  
La-la-la-la-la-la, la-la-la-la-la-la, la-la-la-la-la-la, love  
That drives a Corvette and smokes cigarettes  
I know they're the worst but aren't they the best?  
Bad boy  
La-la-la-la-la-la, la-la-la-la-la-la, la-la-la-la-la-la, love  
They're bad for my hair but so good in bed  
I know they're the worst but aren't they the best?  
Bad boys  
La-la-la-la-la-la, la-la-la-la-la-la, la-la-la-la-la-la, love

Bad boys, I can't learn my lesson  
I keep fallin' for messed up intentions  
Bad boys, they don't go to heaven  
But they bring it to you

I've had boys who would shower me with chocolates and flowers  
But without the chase, it's safe to say I'm bored

'Cause I love me a bad boy  
La-la-la-la-la-la, la-la-la-la-la-la, la-la-la-la-la-la, love  
That drives a Corvette and smokes cigarettes  
I know they're the worst but aren't they the best?  
Bad boy  
La-la-la-la-la-la, la-la-la-la-la-la, la-la-la-la-la-la, love  
They're bad for my hair but so good in bed  
I know they're the worst but aren't they the best?

(Bad boys) Bad boys, ooh  
Bad boys  
The bad b-, b-b-b-, b-boy, bad boy  
Takin' the trouble  
To blow my bubbles away  
Bad boy
