

# Living Hell

Bella Poarch

You know I don't believe in ghosts or  
Letting people close  
I'm good at letting go  
You kiss my lips until they're colder  
Think you're in control but  
I should let you know

Well the good guys don't always get the glory  
Can't you see the warning signs?

I can make your life a livin' hell if I wanted to  
Wanted to  
Wish this was a love you never felt and you know it's true  
Know it's true  
Love me, love me  
Trust me with that heart of yours  
Feels so heavy  
Lying on the bedroom floor  
I can make your life a livin' hell if I wanted to (Wanted to)

Chew you up and spit you out  
And still you come around  
So I can watch you drown  
Hate when you tell me that you'll wait  
Like you think that I could change  
When I've always been this way

Well the good guys don't always get the glory  
Can't you see the warning signs?

I can make your life a livin' hell if I wanted to (Wanted to)  
Wanted to  
Wish this was a love you never felt and you know it's true  
Know it's true  
Love me, love me  
Trust me with that heart of yours  
Feels so heavy  
Lying on the bedroom floor  
I can make your life a living hell if I wanted to (Wanted to)

I'm haunted by the words you say  
When I can't say that I feel the same  
And that you never could have known  
You've always been alone and  
Should let me go

I can make your life a livin' hell if I wanted to (Wanted to)  
Wish this was a love you never felt and you know it's true  
Know it's true  
Love me, love me  
Trust me with that heart of yours  
Feels so heavy  
Lying on the bedroom floor  
I can make your life a livin' hell if I wanted to (Wanted to)  
If I wanted to
