

# Fire

Bella Shmurda

Late night  
Call me on FaceTime  
Working like Mayweather  
Trying to get cheddar  
Four nights  
I never see weather  
Make I tell you one matter  
I just wan win medal

Keep the fire burning baby  
Carry that body on top of me  
Thunder fire busy body  
Talking my matter busy body  
I no dey see them looking at me  
Chasing money ah, Gucci on me  
Fire dancer busy body  
Give it to me ah fire body

Keep the fire burning baby  
Carry that body on top of me  
Thunder fire busy body  
Talking my matter busy body  
I no dey see them looking at me  
Chasing money ah, Gucci on me  
Fire dancer busy body  
Give it to me ah fire body

Late night  
Call me on FaceTime  
Working like Mayweather  
Trying to get cheddar  
Four nights  
I never see weather  
Make I tell you one matter  
I just wan win medal

Love you till I fade away  
Who go take the pain away  
I just want your love all day  
Nini na mi do, nini na mi do, baby nini na mi do  
Love you till I fade away  
Who go take the pain away  
I just want your love all day  
Nini na mi do, nini na mi do, baby nini na mi do

I got pills in Ibiza  
I got prawns in my freezer  
I got plenty drinks in my freezer  
Even Netflix and chills ah  
Baby I go pay your bills (all of your bills)  
I go buy you waders for the winter (even for the summer)  
I fit get you visa make we Japan (oh Madagascar)  
Dash you my motor make you enter

Love you till I fade away  
Who go take the pain away  
I just want your love all day

Nini na mi do, nini na mi do, baby nini na mi do  
Love you till I fade away  
Who go take the pain away  
I just want your love all day  
Nini na mi do, nini na mi do, baby nini na mi do

Keep the fire burning baby  
Carry that body on top of me  
Thunder fire busy body  
Talking my matter busy body  
I no dey see them looking at me  
Chasing money ah, Gucci on me  
Fire dancer busy body  
Give it to me ah fire body

Burning baby, carry that body on top of me  
Busy body, talking my matter busy body
