

Out There

Bella Shmurda

Don't you stop Mr soldier man
Life is a battleground
Don't you stop Mr soldier man
You have to win the war
Don't you stop Mr soldier man
Life is a marathon
Don't you stop Mr soldier man
You have to win the race

I know it's crazy out there (I know)
Yeah, I know it's crazy (you have to keep pushing)
Move on
I know it's crazy out there (yeah, brother keep pushing)
Yeah, I know it's crazy
Move on

Sometimes onshemi pe wonshemi
Wotunbimi kilon shemi
Wo wa niipe talo le mi o?
Ori maje ko shemi o
Aje gberere bi komi o
Eleda maje ko mumi o

I know it's crazy o
Yeah, I know it's crazy out there
I know it's crazy o
Yeah, I know it's crazy out there

On the road you might get confused
For this game you are meant to lose
Don't you make your temper loose
You should know oluwa got you
Don't you forget who you are
Don't you hear the fallacy?
Don't you bow to Lucifer
To ba fun e jo mo fa o
Appreciate the little you've got
Give thanks to Jah for the life and love
Share the little you have with the poor
You know life na turn by turn

I know it's crazy out there (I know)
Yeah, I know it's crazy (you have to keep pushing)
Move on
I know it's crazy out there (yeah, brother keep pushing)
Yeah, I know it's crazy
Move on

Sometimes onshemi pe wonshemi
Wotunbimi kilon shemi
Wo wa niipe talo le mi o?
