

Rush

Bella Shmurda

They say I'm living in a rush
Because I'm moving fast
Them say my matter don cast
But me I no reply
Why? Dem asking me why?
Why always getting high?
Mami, I never reply
Cos highway that's my way

Jez! Christ!
Chioma, body divine
Why are you feeling down
Life is short, ginger yourself
Time chance 50 50 life na dice
Rich poor, last last everybody go payinn

Woss woss woss
Last last everybody go payinn
Woss woss woss
