If I ever lie to the world  
I can never lie to myself  
If I ever lose to the world  
I can never lose to myself  
If I ever run from the world  
I can never run from myself  
Even I don't see nobody  
I will always see myself

Simantiniyana  
Prophecy coming to past  
Simantiniyana  
Ya maami revelation is true  
Look in the camera  
Take a picture cheese

Men marry men, women marry women  
Nobody fear God only scared of death  
Pastor using black power  
Father making love to his daughter  
See people going to church of Satan  
Rich man worshipping Lucifer

If I ever lie to the world  
I can never lie to myself  
If I ever lose to the world  
I can never lose to myself  
If I ever run from the world  
I can never run from myself  
Even I don't see nobody  
I will always see myself
