

# Diamond

Bella Thorne

Some say I wish upon a star  
Cross your fingers as you will go far  
But everybody knows, everybody knows  
That it takes much more to shine  
You've been very so deep  
Haven't seen the sun, haven't felt it's heat  
But everybody knows, everybody knows  
That it takes just a little more time

All the people can see it, they don't wanna believe it  
But I'll never give up, 'cuz you're a precious diamond  
You can handle the pressure, it will make you better, and brighter than ever  
'Cuz you're my diamond in the rough

I'm never giving up on you  
I'm never giving up on you  
Oh I'm never giving up on  
I'm never giving up  
I'm never giving up on my diamond in the rough

You don't need to belong, people will talk you can prove them wrong  
'Cuz nobody knows, nobody knows, that you made a beautiful things  
But I've seen the dark spark to you, that dim your light, don't know what to  
do  
But turn out to flames, not to all the way  
'Cuz I know you can handle anything

All the people can see it, they don't wanna believe it  
But I'm never giving up, cuz you're my diamond in the rough

I'm never giving up on you  
You know, I'm never giving up  
Never giving up, oh, oh, oh  
I'm never giving up  
I'm never giving up  
Oh, I'm never giving up, you're my diamond

And in theses dormant situations  
When the ice start to setting in  
You're in your element, and you can be magnificent  
So rise and stands all, 'cuz underneath a home  
It's a beautiful heart, and a brand new start

I'm never giving up on  
I'm never giving up on you  
Oh, I'm never giving up on  
I'm never giving up on you  
Oh I'm never giving up on,  
I'm never giving up on you  
I'm never giving up on, my diamond in the rough

No, no, no, no, no,

I'm never giving, never giving, never giving, up on you  
Yeah

Oh I'm never giving up on my diamond in the rough
