

# Shake It

Bella Thorne

Watch me move, watch me shake it  
Watch me move, watch me shake it, watch me break it (Oh)  
Watch me move while she shakin'  
And she break it, and she make it, and she naked  
(It's a banger)

What it do? She's a baddie  
If she make it clap, make it clap  
Then it's back, and it's that  
And I can swing it to the side, see if you can ride  
I can be all up in your insides  
Wifey material, I can make you my bride (Mmm-mmm)  
Oh, shit, I didn't know she was your bitch (I'm sorry)  
Haha, I lied  
If she want a good fuckin', I'll provide  
Rockin' in the Uber, roadside  
I dropped her off and I never replied  
And I like all kinds of bitches, miss  
Fuckin' worldwide, that's right, bitch (Ha)

She move it fast, she move it slow  
Let me see how low it can go  
She shake it fast, she shake it slow  
Let me see how far you can go (You can go)  
She move it fast, she move it slow (She move it slow)  
Let me see how low it can go (Ooh, girl)  
She shake it fast, she shake it slow  
Let me see how far you can go (Woo)

Watch me move, watch me shake it  
Watch me move, watch me shake it, watch me break it (That's right, bitch)  
Watch me move (Mmm-mmm) while she shakin' (That's my girl)  
And she break it, and she make it, and she naked

Racks, stacks, MAC, pack it up in the bag  
Ooh, she bad, she a snack  
She only twenty-one, blackjack  
She wanna hit the studio soundtrack (Ooh)  
Roasted on the Barbies' smokestack (Haha)  
Ride me like a cowgirl, horseback  
That's my ex's bitch, payback (Ooh)  
I'ma steal your girl, ransack (Damn, bitch)  
I'ma fly her out, nice, meet me at the tarmac  
This my highschool bitch, throwback (Throwback, throwback)  
It's all a game to me (Mmm)  
Tic tac, tic tac  
Move it faster like a Gemini, zodiac

She move it fast, she move it slow  
Let me see how low it can go (That's me)  
She shake it fast (Mmm), she shake it slow  
Let me see how far you can go  
She move it fast, she move it slow (Now run that back)  
Let me see how low it can go (Throw that ass, throw that ass)  
She shake it fast, she shake it slow (And she fat, and she fat, and she fat)  
Let me see how far you can go

Watch me move, watch me shake it  
Watch me move, watch me shake it, watch me break it  
Watch me move while she shakin'  
And she break it, and she make it, and she naked (That ass)

Watch me move, watch me shake it (Got a fat ass)  
Watch me move, watch me shake it, watch me break it (Got a fat ass)  
Watch me move while she shakin' (Mmm)  
And she break it, and she make it, and she naked (Naked)
