

Big Dreams Empty Pockets

Bellah

Even when they say they don't, ooh
I love you

I love you when they won't
I love you even when they say they don't
I love you even though the system's broke
And I'll be there when they decide to fix you, fix you
'Cause I cannot lie, I really miss you, miss you
Sittin' back and watchin' while they diss you, diss you
Ain't helping nothing, I'm sorry
Blood sweat and tears ain't enough for them darling

Big dreams, empty pockets
I need my passion to put down a deposit
Own a crib, for my art and my heart and my sanity
I'm tryna prove it's not all fantasy
Big dreams, empty pockets
I need my passion to put down a deposit
Own a crib, for my art and my heart and my sanity
I'm tryna prove it's not all fantasy

Do you mind if I, I catch a ride
Ain't got money for the uber
All my nights are days
Look for the sign that says twenty-four hours
And I can't tell you where I'm goin'
Don't ask me where I'm goin'
Just take me where I ain't got to care
'Cause I can't afford that either

I won't join the pack
Love you even when they turn their backs
Promise you I won't do you like that
'Til death do us part and that's the issue, issue
Haven't paid the bills as long as I've been with you
Prayin' that that changes 'cause I'm in love, it's true
Just give me time, baby, I'm sorry
Blood, sweat and tears ain't a currency darling

Big dreams, empty pockets
I need my passion to put down a deposit
Own a crib, for my art and my heart and my sanity
I'm tryna prove it's not all fantasy
Big dreams, empty pockets
I need my passion to put down a deposit
Own a crib, for my art and my heart and my sanity
I'm tryna prove it's not all fantasy

Do you mind if I, I catch a ride
Ain't got money for the uber
All my nights are days
Look for the sign that says twenty-four hours
And I can't tell you where I'm goin'
Don't ask me where I'm goin'
Just take me where I ain't got to care
'Cause I can't afford that either
