

Don't Fall

Bellah

Ayy, ayy, ayy, ayy, ayy, ayy, ayy
Don't fall
Ayy, ayy, ayy, ayy, ayy, ayy, ayy
Don't fall

Sauce drippin'
Someone get the mop from the kitchen
Huh, listen
Boy, you better watch where you steppin'
I put up caution signs
But if you're down to ride
Make sure you're holding tight, holding tight
'Cause it's like

Don't trip (Don't trip)
Stay quick (Stay quick)
I came good, hope your balance is
No pressure to stay, my dear
You can go if you can't handle it
Run away, run away, run away
Get away, get away, get away
But if you stay

Ayy, ayy, ayy, ayy, ayy, ayy, ayy
Oh, oh, oh
Ayy, ayy, ayy, ayy, ayy, ayy, ayy
Don't fall
Ayy, ayy, ayy, ayy, ayy, ayy, ayy
Woah, oh, woah
Ayy, ayy, ayy, ayy, ayy, ayy, ayy
Don't fall

Don't fall

I can't be held responsible
Please don't act like you didn't know
And now you're crying 'cause the sign wasn't yellow
It was fine, .55 for the mellow
Nintendo with the game
I switch it up, never stay the same
You only got yourself to blame
You only have yourself to blame

Casualty on the aisle, aisle, aisle
Better clean it up, 'cause wahala dey
Got a casualty on the aisle, aisle, aisle
Better clean it up, 'cause wahala dey
I don't need the pressure, baby
I'm already a diamond
There's nobody better, baby
Good luck tryna find one

Ayy, ayy, ayy, ayy, ayy, ayy, ayy
Oh, oh, oh
Ayy, ayy, ayy, ayy, ayy, ayy, ayy
Don't fall
Ayy, ayy, ayy, ayy, ayy, ayy, ayy

Woah, oh, woah

Ayy, ayy, ayy, ayy, ayy, ayy, ayy

Don't fall

Don't fall

Don't fall (Don't fall, fall)
