

## Drip

Bellah

Stay drippy all the time  
Oh my, oh my  
Stay drippy all the time  
Oh my, oh my  
Stay drippin' on your mind  
All the time, all the time  
Stay drippy, yeah  
Stay drippy, yeah

They couldn't do it  
They wouldn't dare  
Look at 'em stare  
Look at 'em stare  
Drippy, I'm fluid  
Saucy, I'm fluent  
Ain't nothing to it  
I say what I say  
Ayy, ayy, ayy  
You stay  
Ayy, ayy, ayy  
Stay in your feelings  
You in your bag but we don't care  
Ayy, ayy, ayy  
You stay  
Ayy, ayy, ayy  
Stay in your feelings  
You in your bag but we don't care

You know why I've been running, baby  
Let me slow down  
Where your head, oh, baby?  
Let me slow down  
Everywhere I go, you know it goes down  
Ain't prepared, I be scared when it all goes down

Stay drippy all the time  
Oh my, oh my  
Stay drippy all the time  
Oh my, oh my  
Stay drippin' on your mind  
All the time, all the time  
Stay drippy, yeah  
Stay drippy, yeah  
Stay drippy all the time  
Oh my, oh my  
Stay drippy all the time  
Oh my, oh my  
Stay drippin' on your mind  
All the time, all the time  
Stay drippy, yeah  
Stay drippy, yeah

Drippy  
Drippin' out the sides  
Whip it, whip it, that's a nice ride  
To the ceiling, stack it high, high  
Stack it, stack it high, high

Money I haffi make, it's only right, right, uh  
I ain't too friendly, friendly  
Keep myself free like my women be  
If it ain't Ps, why you bailin' me?  
Ah, ah, ah, ah, why you mailin' me?  
Ah, Northside  
Real ones over this side  
Real big tings on the inside, inside  
Real big tings for your inside, inside

You know why I've been running, baby  
Let me slow down  
Where your head, oh, baby?  
Let me slow down  
Everywhere I go you know it goes down  
And from bed, I be staring when it all goes down

Stay drippy all the time  
Oh my, oh my  
Stay drippy all the time  
Oh my, oh my  
Stay drippin' on your mind  
All the time, all the time  
Stay drippy, yeah  
Stay drippy, yeah  
Stay drippy all the time  
Oh my, oh my  
Stay drippy all the time  
Oh my, oh my  
Stay drippin' on your mind  
All the time, all the time  
Stay drippy, yeah  
Stay drippy, yeah

Stay drippy, yeah  
Drippy, yeah

Stay drippy all the time  
Oh my, oh my  
Stay drippy all the time  
Oh my, oh my  
Stay drippin' on your mind  
All the time, all the time  
Stay drippy, yeah  
Stay drippy, yeah
