

Stand

Bellah

Can't complain
I'd be lying if I said I didn't like
Like the way you say my name
Every time you call my line
But I'd be dead wrong if I didn't say
Say how much I really need my space
Oh, I couldn't love you every day
I'm so tunnel vision, baby, you'd get in the way
If there's no space for two, I'll go on my own
Okay, I'm alone but, no, I ain't lonely

I like what we're doing, baby, just fine
I'm okay with part-time
Ain't nothing better than this
I leave before the A.M
You don't pretend that you care
At least we know where we stand, stand, stand

I've been thinking
Maybe I should come and see, yeah
God knows when that's gonna be, yeah
Ain't a thing loving you when it suits me, yeah
Honestly, loving you's really easy, yeah
But I know you know not to push your luck, love
If you need something lukewarm
I got it on lockdown
Not hot, I'm not cold, I know my place
Phone on do not disturb on the weekdays

I like what we're doing, baby, just fine
I'm okay with part-time
Ain't nothing better than this
I leave before the A.M
You don't pretend that you care
At least we know where we stand, stand, stand

At least we know where we stand
At least we know where we stand
(I like what we're doing, baby, just fine)

I like what we're doing, baby, just fine
I'm okay with part-time
Ain't nothing better than this
I leave before the A.M
You don't pretend that you care
At least we know where we stand, stand
