

Stuck

Bellah

Here we go again
I'm outside your crib
Too many feelings
And too many fears
Can't seem to give up on you love
You know what it is?
I wanna cut ties
Believe me, I've tried
I've blurred the lines
Right now I feel, oh-ooh, oh, oh

Stuck
Ooh
I wanna be toxic and put the blame on you
Stuck
I don't want to see this through
But I'm finding it hard to move

How did I get
Stuck to you
Stuck to you
Superglue
'Cause I'm not in love with you
But I'm comfortable
Comfortable

Now I gotta come to terms that you're
Not the best, but it's easier than someone new (Someone, someone new)
Rather be with someone than be lonely
It's just human nature
Right now I gotta being honest

Stuck (Oh, oh, oh)
Ooh
I wanna be toxic and put the blame on you
Stuck
I don't want to see this through
But I'm finding it hard to move

How did I get
Stuck to you
Stuck to you
Superglue
'Cause I'm not in love with you (I'm not in love with you)
But I'm comfortable (I'm comfortable)
Comfortable

Boy that shit sad
You a bad habit
Miss when it was casual
But it's just something
Pulling me back
Baby, it's natural
Rather be with someone than be lonely
It's just human nature
Right now I gotta being honest
