

## Try For You

Bellah

I really thank God for your life  
For your tenacity  
You are like a dog with a bunda  
What? You know what?  
One person will call it stubbornness  
Another will call it determination  
It depends on what side you're looking on  
You understand?  
God did not hold back  
When he poured talent into your life

Mama, you've tried  
I've seen you fight  
Those battle wounds  
Don't appear overnight  
I've seen you cry  
So my eyes were dry  
Thank's not enough  
Ooh, I owe you my life  
Oh, you know  
Ah, oh  
I'll try for you

Mama, I've seen  
How patient you've been  
Because of you, I'll be great  
Just you see  
Oh, mama  
Girl, take a bow  
I promise to be there the best way I know how  
You know (You know)  
I'll try for you (You, ooh, ooh, ah)

Didn't think I'd make it  
Your prayers kept me (Alive), thank God and thank you  
Oh, woah, woah, oh, oh, oh  
Mama, you tried  
Mama, you tried, yeah  
Mama, you tried  
So I'll try for you

Everything I do  
Will always be for you  
As the sky is blue  
Everything's for you (Everything's for you)  
Everything I do (Oh, woah)  
Will always be for you  
Mama, oh  
Everything's for you
