

Dancin' Romance

Bellamy Brothers

You got the rhythm, I got the rhyme
You make my feet want to keep tappin' time
So let yourself go, girl, and get on your toes
You know it takes two to tango

We got a dancin' romance
Dancin' romance
We got a dancin' romance
We got a dancin' romance

We can go waltzing without no shoes
We got no time for singing the blues
Of all the partners that we could choose
None were so smooth as me and you

We got a dancin' romance
Dancin' romance
We got a dancin' romance
We got a dancin' romance

We got a dancin' romance
Dancin' romance
We got a dancin' romance
We got a dancin' romance

Dancin' romance
Dancin' romance
Dancin' romance
