Everything comes and goes Marked by lovers and styles of clothes Things that you held high And told yourself were true Lost or changing as the days come down to you Down to you Constant stranger You're a kind person You're a cold person too It's down to you It all comes down to you. You go down to the pick up station Craving warmth and beauty You settle for less than fascination A few drinks later you're not so choosy When the closing lights strip off the shadows On this strange new flesh you've found Clutching the night to you like a fig leaf You hurry To the blackness And the blankets To lay down an impression And your loneliness

In the morning there are lovers in the street
They look so high
You brush against a stranger
And you both apologize
Old friends seem indifferent
You must have brought that on
Old bonds have broken down
Love is gone
Ooh, love is gone
Written on your spirit this sad song
Love is gone

Everything comes and goes
Pleasure moves on too early
And trouble leaves too slow
Just when you're thinking
You've finally got it made
Bad news comes knocking
At your garden gate
Knocking for you
Constant stranger
You're a brute-you're an angel
You can crawl-you can fly too
It's down to you
It all comes down to you
