

Tough Love

Bellamy Brothers

Tough Love Tough Love Tough Love
Hearts get burned
Hearts can be broken
Sometimes to sweet
Sometimes to tough
Hearts get hurt when harsh words are spoken
But we all need a little tough love
Dont get me wrong
I love it when you talk so tenderly
But we all know
Thats not always reality
It keeps love strong
To understand its little ole diosyncrasy
And to realize that were not made so perfectly

Tough Love Tough Love Tough Love
Hearts get hurt
Hearts can be broken
Sometimes to sweet
sometimes to tough
Hearts get hurt when harsh words are spoken
we all need a little tough love
Tough dont have to be rough
it just means honesty
the secret that makes true love last
just like for you and me
Dont get me wrong
I love it when you talk so tenderly
But we all know
Thats not always reality
Tough Love Tough Love Tough Love
