

# World's Greatest Lover

Bellamy Brothers

She's a little old-fashioned  
She's a little new way  
She's got her own kind of passion  
And I'm glad to say  
That I'm a lucky guy  
She's standin' by  
Can't you see, lucky me  
And I really only wanna say  
No one on this earth  
Does what she does for me  
Uh, uh, uh.

She looks so innocent  
Sippin' champagne  
Or gettin' her new dress wet  
In the pourin' rain  
But when she takes me home  
And we're all alone  
Can't you see, lucky me  
And I really only wanna say  
I can't begin to say what she does for me  
Uh, uh, uh.

She's the world's greatest lover  
And the way she holds me  
I know there's no other  
She's that kind of girl, a passionate girl  
She's the world's greatest lover  
And I'm never gonna let her go  
No I'm never gonna let her go away  
Uh, uh, uh...

You know, she looks so convincing  
Walkin' down the street  
Incognito, lookin' prim and sweet  
But she is dynamite, ready to ignite  
Just for me, lucky me  
& I really just wanna scream  
But I keep it a secret  
How she fulfills my dreams  
Uh, huh, huh.

She's the world's greatest lover  
And the way she holds me  
I know there's no other  
She's that kind of girl, a passionate girl  
She's the world's greatest lover  
And I'm never gonna let her go  
No I'm never gonna let her go away  
Uh, uh, uh...

She's the world's greatest lover...
